ABOUT ME

Results-oriented Java Back-End Developer with a strong focus on building scalable systems. Proven experience in leading backend teams, managing project lifecycles, and implementing robust microservices architecture using Spring Boot, Kafka, and Redis. Passionate about mentoring junior developers and maintaining high code quality through rigorous code reviews and clean code principles. Currently bridging academic research with real-world enterprise applications.

EDUCATION

Azerbaijan State Oil and Industry University 2023-2027

Computer Engineering

EXPERIENCE

Blink BI | Backend Team Lead & Project Lead June 2026 - Present

- I lead the backend team technically within the team and am responsible for the project's architecture and development flow.
- I regularly carry out code review processes and handle pull requests to make sure the code meets quality standards.
- I mentor the team to solve technical problems and support the optimization of work processes.

PROJECTS

FoxWear (Microservices Project) 2026 March

Kafka/Redis-based setup, Docker containers, and using Eureka for service discovery.

RestoFlow 2026 Feb

A restaurant management panel (frontend + backend) built to full industry standards, expanded with Keycloak, Microservices, OAuth2, etc.

CERTIFICATES

IT Brains | Java Backend Development 2026 May

Awarded the **Platinum Certificate** (Highest distinction for academic excellence and project performance).

SKILLS

- **Programming Languages:** Java
- **Leadership & Management:** Team Leadership, Project Coordination, Code Review, Mentoring, Agile/Scrum.
- **Frameworks & Libraries:** Spring Boot, Spring Data JPA, Spring Security, Spring Cloud, Hibernate.
- **Architecture & Microservices:** Microservices Architecture, RESTful APIs, Eureka Service Discovery, Config Server, API Gateway.
- **Message Brokers & Caching:** Apache Kafka, Redis.
- **DevOps & Tools:** Docker, Git, Maven, Postman.
- **Frontend skills:** HTML, CSS, JavaScript, React.js (beginner)
- **Databases:** PostgreSQL, MySQL, Liquibase

LANGUAGES

- Azerbaijani: Native
- Turkish: Professional Working Proficiency
- English: Intermediate (B1) / Technical Proficiency
